

Wyoming Hunger Initiative

2024 Nourishing Neighbors Summer Meals Grant Application

Our mission:

Wyoming Hunger Initiative has a simple mission: to end hunger in Wyoming.

We believe hunger in Wyoming is a problem that can be solved. We also recognize that where there's a hungry child, a hungry family, senior, or veteran isn't far away. We work to prevent food insecurity by increasing awareness and support for the work of local anti-hunger organizations statewide through innovative programs that connect like-minded organizations as well as funding support for local solutions. Nourished kids, healthy families, and thriving communities: that's the goal of Wyoming Hunger Initiative.

The Albertsons Companies' *O Organics*® *Fight Hunger* campaign aims to fund programs that can help provide access to meals to youth this summer. We know that together, we can make a difference for our communities as we work together to nourish our neighbors and end the cycle of hunger in our communities.
