Scan to learn more about Wyoming Hunger Initiative's Infrastructure Grants.

- **Wyoming Hunger Initiative Infrastructure Grants** are intended to support infrastructure and longevity of anti-hunger organizations as well as long-term, sustainable solutions to food insecurity across the state.
- Grant funding can be used for equipment to expand capacity, long-term projects that promote self-sufficiency and increase food security, solutions that encourage systematic change with regard to local food access, and educational programs.
- **Infrastructure Grants** open annually in March, are reviewed by the Wyoming Hunger Initiative Grants committee in May, and final decisions are announced in June.
- Wyoming Hunger Initiative knows there is no such thing as a one-size-fits-all solution to hunger and instead supports the inspiring anti-hunger warriors who fight every day to find the best answer for their community.
- Grant funding also comes from the Wyoming Hunger Initiative Hunger Champions Circle, which is a team of dedicated ambassadors who serve as catalysts in the ongoing mission to end food insecurity in Wyoming.
- Wyoming Hunger Initiative is committed to awarding grants in every Wyoming county, because hunger does not discriminate.
- **How can you help? Donate.** Funds earmarked for infrastructure grants allow greater opportunities for innovative projects, local solutions, and the ability to create efficiencies.

In addition to **Infrastructure Grants**, there are many Wyoming Hunger Initiative **programs, campaigns, and events** that benefit those in need in Wyoming. None of this could be accomplished without the efforts of statewide **anti-hunger organizations** and the generosity of our **sponsors, volunteers, and donors**.

Together, we can end hunger in Wyoming. nohungerwyo.org
